

Lifeloc WorkPlace Series

Lifeloc

Professional Breath Alcohol Tester

For over 25 years, Lifeloc Technologies has provided advanced alcohol testing equipment & training for Workplace and Law Enforcement professionals across the globe.

The FC20 Kit marks a significant step forward in workplace breath alcohol testing with its ease of use and outstanding image quality. The kit consists of Lifeloc's field proven FC20 breath alcohol testing instrument teamed with a rugged, reliable and compact thermal printer and our new "Thermalast" paper.

FC20 KIT

Unlock the Power of Alcohol Testing

Lifeloc WorkPlace Series

FC20 Fully Integrated Solution

Making this advance possible is Lifeloc's new "Thermalast" thermal imaging paper. Laboratory tested, the Thermalast paper maintains image quality up to 20 years in normal office conditions. Thermalast paper provides superior image quality, fast, reliable imaging, long life and light resistance.
